

Quiet-Vent Metal Duct Female or Male Coupling

Metal male and female duct connectors available sizes: 100mm, 125mm, 150mm, 180mm, 200mm

Constructed of high quality durable galvanised metal

**Female duct metal connector is designed to join two male duct fittings together
Manufactured without seals, made in the UK**

Designed for use with safe seal galvanised metal ducting but it can be used with equivalent standard metal ducting or some plastic ducting ranges

Perfectly suited for ducting your ventilation system, kitchen extractor fan, bathroom fan or in-line extract fans
