

Quiet-Vent Flat Channel Connectors

Female to male ducting connector suitable for 110x54mm, 204x60mm and 220x90mm ducting systems

Our range of plastic ducting is UK manufactured with top quality materials that will supply a durable product suitable for domestic and commercial systems

Easy to install and durable, just push-fit duct and fittings together

Compatible with most other manufactures

Rectangular Ducting Connector can be used to run your ductwork around obstacles, along walls and into ceilings and offers superior performance and durability over flexible alternatives.

width (W)	height (H)	product code
