

Quiet-Vent Round Metal Pipework

Galvanised spiral metal, available in different sizes, and available in 1 meter, 1-meter and 3-meter lengths

Manufactured in the UK

Perfectly suited for ducting your ventilation system, kitchen extractor fan, bathroom fan or in-line extract fans

Can be used to connect long ductwork run for a variety of purposes including whole house ventilation, passive stack vent, positive input, air conditioning, HVAC, and heat recovery systems

Pipe ends are female and will accept male fittings such as bends and grilles.
