

Quiet-Vent PVC Louvred Grill White Round Spigot

Round spigot louvred grill is manufactured from polypropylene and has a male spigot for connection inside of 100mm, 125mm or 150mm duct systems

The louvers are designed to prevent water ingress where possible and deflect low levels of wind pressure against the fan

Louvres should be installed pointing downwards

Manufactured in compliance with domestic plastic ductwork specification and meets UL94HB flammability standard
Choose from 100mm, 125mm or 150mm spigot options

Also available in black

W	H	Ø
155mm	15mm	100mm
155mm	155mm	125mm
183mm	183mm	150mm
